

Dear Parents and Carers,

I am Gill Edgington and I'm Chair of the Governing Body at Culverhill School. I took on this role when Culverhill became part of Enable Trust in September 2018. I feel very privileged and honoured to have the opportunity to be the Chair of Governors at Culverhill and part of Enable Trust, I also feel proud to be part of the Culverhill family.

I am a retired Occupational Therapist and have been a Governor at Culverhill for over 20 years, and during that time I have seen many changes in the education for pupils with Special Educational Needs

Culverhill has an enthusiastic and skilled team of Governors, who feel fortunate to work with a very dedicated Head Teacher and staff team.

As Governors we work closely with all members of staff to ensure that our pupils feel safe, happy and supported during their time with us.

Through our monitoring systems and school visits, we support the staff and ensure that each pupil has a high quality education, that inspires our pupils and meets their individual needs so they can thrive and achieve the best they can be.

If you would like any further information about the work of the Governors at Culverhill, or have any questions, please contact me via the school office and I will be very willing to give you more information and answer any questions you may have.

Best wishes,
