Brandon Trust is a Bristol based charity operating across the South West.

- Brandon Trust is an independent charity that supports young people and adults with learning disabilities to live life in a way that they choose.
- They offer individualised support to enable people to achieve and live life freely.
- There is a variety of areas of support that the Brandon Trust offer: supported living, accommodation with support, day services, short breaks, employment projects, play link schemes, enterprises and flexible support that can come into your home.
