Peopleton Brook Farm is a family run, inclusive care farm in Old Sodbury. They specialise in providing students with additional needs a relaxing environment working with and caring for animals.

- Students will learn to care for horses as well as a number of other farm animals such as alpacas, goats, pigs and sheep.
- Each individual student will have a learning plan along with activities that suit their abilities, wishes and skills.
- Peopleton Brook Farm helps students find work experience placements to help enable transition into employment.
