

Warmley Park Post 16

North Warmley

Warmley Park is a primary, secondary and post 16 school based in North Warmley, specialising in supporting children with severe learning difficulties, profound and multiple needs and children on the autistic spectrum.

- Students during the post 16 curriculum will develop functional skills in Maths, English, ICT and PSHE.
- Students will also learn skills such as travel training.
- Take part in work experience and volunteering activities.
- Students can pursue their interests through pathways in Art and Design, Sport and Fitness, Drama and Horticulture.
- The whole school and sixth form building is on one level.
