24th January 2022

Dear Parents & Carers,

RE: Update on Face Coverings

I'm sure you will be aware that the government have announced that face coverings no longer need to be worn in classrooms by pupils and staff. They have also recommended that from Thursday 27th January face coverings will no longer need to be worn in communal areas in school.

Having met with our Trust Senior Leadership Team we have decided that face coverings can continue to be worn by pupils and staff in classrooms and communal areas on a voluntary basis. We recognise that not wearing a face covering will cause anxiety for some and that this layer of protection may help to alleviate any anxiety.

Our priority remains to keep children accessing face to face learning in school whilst keeping everyone as safe as possible here. Please refer to the latest information on our website regarding testing and isolation.

Thank you, as always, for your continued support and understanding.

With my very best wishes,

Sue
