Fortnite is a good game. If you get a Crown Royale it becomes an emote when you get a Victory Royale, you can dance. To show skill at the game, you can play tournaments to get money or an icon series. If you get lots of skins, you have to find your most played skin. If you have a default skin, everyone be toxic.

I like Bubble Tea, Boba is a drink with these small black balls called pearls or tapioca, it's my favourite drink and there can be milk tea flavours or fruit flavours and my favourite drink is Taro, Oolong and Thai but I only tried Thai flavour once. The Boba tea shop I go mostly is called **Chatime** and I go there because the drinks are more delicious and I would go there after church or when I'm going out. **Johan 10J**
